Bright Futures Parent Handout

9 Month Visit

Here are some suggestions from Bright Futures experts that may be of value to your family.

Your Baby and Family
- Tell your baby in a nice way what to do (“Time to eat”), rather than what not to do.
- Be consistent.
- At this age, sometimes you can change what your baby is doing by offering something else like a favorite toy.
- Do things the way you want your baby to do them—you are your baby’s role model.
- Make your home and yard safe so that you do not have to say “No!” often.
- Use “No!” only when your baby is going to get hurt or hurt others.
- Take time for yourself and with your partner.
- Keep in touch with friends and family.
- Invite friends over or join a parent group.
- If you feel alone, we can help with resources.
- Use only mature, trustworthy babysitters.
- If you feel unsafe in your home or have been hurt by someone, let us know; we can help.

Feeding Your Baby
- Be patient with your baby as he learns to eat without help.
- Being messy is normal.
- Give 3 meals and 2–3 snacks each day.
- Vary the thickness and lumpiness of your baby’s food.
- Start giving more table foods.
- Give only healthful foods.
- Do not give your baby soft drinks, tea, coffee, and flavored drinks.
- Avoid forcing the baby to eat.
- Babies may say no to a food 10–12 times before they will try it.
- Help your baby to use a cup.

Your Changing and Developing Baby
- Keep daily routines for your baby.
- Make the hour before bedtime loving and calm.
- Check on, but do not pick up, the baby if she wakes at night.
- Watch over your baby as she explores inside and outside the home.
- Crying when you leave is normal; stay calm.
- Give the baby balls, toys that roll, blocks, and containers to play with.
- Avoid the use of TV, videos, and computers.
- Show and tell your baby in simple words what you want her to do.
- Avoid scaring or yelling at your baby.
- Help your baby when she needs it.
- Talk, sing, and read daily.

Safety
- Use a rear-facing car safety seat in the back seat in all vehicles.
- Have your child’s car safety seat rear-facing until your baby is 2 years of age or until she reaches the highest weight or height allowed by the car safety seat’s manufacturer.
- Never put your baby in the front seat of a vehicle with a passenger air bag.
- Always wear your own seat belt and do not drive after using alcohol or drugs.
- Empty buckets, pools, and tubs right after you use them.
